Sermon: Sri Satguru Jagjit Singh Ji

It is a human tendency to see virtues of others and forget our own. However, we remember only our virtues. Satguru Ram Singh Ji has written in his Rahatnaama " haar baakat aapni bhalaai chupaan de karni." (Always try to hide your virtues).

Further, Satguru Ji has written for forgiveness and patience, " khemma theeraj rakhne, khemma theeraj rakhne baalya de Guru ang-sang hai." (Guru Ji is always with the person who forgives and has patience)

Saadh sangat voice: from Ugraiee in Southall:-

"I was taken into my garden, shown flowers along both sides of the path. Then was told, Satguru Ji's Sikhs will come to my house, please give them £1,000."

Whilst writing a cheque, the cheque amount being written was lower than the requested amount. The voice from the cheque writer was...." That's a message from above, what was the amount to write"

Target - £100,000

Collected to date

£20,604
